Dear Valued Customer,

The new and improved Tiger Torch Ltd. just celebrated our first anniversary June 1st, 2018. We would like to thank all our customers for helping us have a successful and fulfilling first year of operations.

We are now almost completely through all the old inventory items we inherited from the predecessor company so if you haven't already, you'll soon be seeing our newly branded and updated parts and stock reflecting the new company name, logo and location. Some of the other improvements and changes we've implemented this past year include:

- The www.tigertorch.ca website and new logo
- Updated Safety and Operating instructions sent with every torch and available on our website
- Enhanced quality assurance and testing procedures
- New soft rubber handles on the 95B model torch providing an enhanced grip
- New 95B kit boxes providing a greatly enhanced display for your shelves
- 21st century communication and back office procedures
- And last but not least a very dedicated and proud ownership group that is committed to providing our customers with the best products for your money

But we're not done yet! We are continuing to look at ways to improve and enhance our products and offerings to our customers so stay tuned for more to come. We would also welcome any feedback you'd like to offer by emailing us at sales@tigertorch.ca anytime. And once again thank you for continuing to be an important and valued customer of the new Tiger Torch Ltd.

Yours Sincerely,

Scott & Connie Bennett and Rob Gebauer
